O R D E R:-

Government of India has created a National Electricity Fund (NEF) to promote capital investment in distribution sector by providing Interest Subsidy on the loans taken by DISCOMs for various capital works. Interest Subsidy is linked with reform measures as per details given in the guidelines which has been issued by Government of India. DISCOMs has to meet pre-eligibility conditions as defined in para 56.3 of the operational guidelines issued by Govt. of India, before their project can be evaluated and marks can be assigned on the basis of achievement in respect of parameters listed in para 5.4 of the operational guidelines. Based on the aggregate scores of the utilities, rate for interest subsidy will be fixed. It will be ranging from 5% to 3%.

2. DISCOMs are required to submit project proposals for availing this facility. Project proposal submitted by the DISCOMs is to be recommended by the Distribution Reforms Committee at the State Level as per para 6.1 of the operational guidelines.

3. The Government of Andhra Pradesh hereby constitute a Distribution Reforms committee (DRC) at the State level with the following composition :
